Garage bookings at BMCRC
For Donington 31 May-2 June 24

We introduced a system on payments for garages to enable payments to be made online.

You will apply by email for a slot (or slots on behalf of a group). Individual riders will need to pay for the slots online, once you receive the email confirmation that you have a garage space allocated.
Riders booking for a group can also pay for the whole group, in advance.
The booking fee is £25 per rider for the weekend (inc Testday) in 2024.

The Details
We operate an email only booking system, bookings for garages will only be taken by email, not by phone.
For the Donington June meeting: Please send your email requests from 2pm on previous Friday 24th May. Allocations will be dealt with, in the order received
Email to mikedommett@hotmail.com only.
Enquiries prior to that time on the Friday may not receive attention.

Confirmation will be emailed back before Monday morning to advise the garage booking for the following weekend. The booking list will be via a link in the email and will also publish in the Meeting File on bemsee.net

Riders booking on behalf of others are requested to advise all the riders' names they are booking a garage for, ideally copy the other riders in your initial email.

The confirmation email will give the rider/booker links to enable payment for the allocated garage to be taken online before we get to the meeting – this avoids cash-handling.

This will be a link to pay £25 for each person in the garage for the Donington event. Requests will be checked against the entry list and garage spaces cannot be allocated if we have not received a rider's entry.

Payments must all be complete online prior to the meeting – otherwise reserved slots may then be released to any riders waiting.

For garage bookings going forward - we will aim to house 3/4 riders per garage at all venues.

Private car parking in the allocated space behind garages is becoming an increasing problem. At Donington provision will be provided for a friends& family area for parking just outside the main access gate. Please ask your supporters to use this – disabled access will be the exception.
