Booking the Meeting

Once you've registered on the Bemsee site, just login again and click RACE ENTRIES > select the Donington meeting and book. If you've correctly selected Lansdowne as your class – you will see that highlighted. You then select the Friday Testday tickbox if you want to test – there's a "slider" at the bottom of that column that enables you to select full day or half day. 3 sessions in each of morning and afternoon, you will be in a mixed group on Friday with similar bikes. Half day defaults to the afternoon – if you want a half day morning, that's Ok but please call us to arrange once you have booked. (01708 720305 10am-3pm weekdays)

To book for the race meeting – just select Sat and Sun boxes.

The system will add it all up for you at the bottom RH side.

Make sure if you have your own Transponder (Red TranX 260, X2) that you add the transponder number into your profile. If you need to hire one – leave that blank in your profile and the system will add a hired unit onto your total. Hires are £35 for the weekend.

If your entry is a one-off with the Club this season, the system will add £10 for weekend Membership of the club to your fees. There is no VAT included as your entries are zero-rated when we are selling entries to our Members (You become a Member of the Club for the weekend)

Then go through the checkout process using debit or credit card and your booking will be complete. Note: Our bank just does a transaction check for £1 when you first add your card – we don't process the payments for the meeting until the Friday prior, which for Donington will be 24th May.

If you need to withdraw from the meeting after you have made the booking, just call us on 01708 720305 and we can cancel your booking, with no charge. Please do this before the payment day deadline of the 24th May after which a penalty may apply.
