Dear Marshals,

Thank you for putting down to attend our fourth round at Cadwell Park.

Please note that there is a new office in the paddock and this will potentially become the Marshal office. For this meeting we will continue to sign Marshals on in the restaurant/bar area, but the new office may be used for collection of money and evening meal tickets (on Friday pm) and return of radios (marked on the second map on the next page)... on the same level as the Tech bay and just along from the Paddock Office.

The following should give you all the information you need but if not, please don't hesitate to contact me (my mobile and email are at the top of this page). We fully appreciate all the help and support you are giving us this weekend and I look forward to seeing you all there.

Karen Higgens
BMCRC Chief Marshal

Signing On and General Information:

- Signing on will take place in the circuit restaurant from 07:15 each day. If you arrive prior to 07:30, you can gain access via the doors at the side of the building, by the bar area
- Friday 29th you will receive breakfast and a cooked evening meal in the circuit restaurant, and payment of £20 ... evening meals will be served between 5.30pm and 8pm on Friday in the restaurant
- Saturday and Sunday you will receive breakfast in the circuit restaurant, a packed lunch and a payment of £10 for each day
- There will be the usual **Club BBQ** on Saturday night, in the Marshals campsite
- **IO BRIEFING:** Briefing for all IOs at 08:00 on FRIDAY and SATURDAY morning, where we sign-on.

Circuit/Camping Entrance and Exit:

Access to the marshal campsite areas ONLY can be gained from **2pm on Thursday 28th May**. The rest of the paddock access is from 8.30pm and, as such, you will be required to state that you are Marshals and show proof of tickets. Any problems, please give me a call on my mobile (shown above).

The circuit have given kind permission for stay overs until Monday morning for those who need to. This is restricted to the Marshal camping areas (shown on the first map on the next page).

Access to Public Areas and Getting to Corner:

Parking is available near most corners or, alternatively, you can get a lift from recovery in the Collecting/Assembly area from 08:30 on all 3 days.

If you Cannot Make it to the Meeting:

We recognise that life happens, especially in these difficult times... if you cannot make the meeting, for any reason, it would be appreciated if you could please let the Chief Marshal know as soon as possible. This can prevent disruption due to 'no shows'. Thank you.

Marshal Camping:

The designated area for Marshals camping is marked as **(1)** on the first map below. HOWEVER, this is restricted on space, and we would therefore suggest that this area may be best suited to those who do not have their own onboard facilities so they can be nearer the toilet block.

For all others, the area many of the Marshal's use is marked as **(2)** on the first map below. This is also the location for the BBQ on Saturday night. As you follow the road round from the main entrance, you need to take the first track on the left (after you've turned the bend towards the paddock). Camping alongside the track is reserved for the riders so please ensure you follow the track to the end and camp on the grass area.

PLEASE NOTE that there are no electric hook ups. However, I have the Club generator in the van, so please let me know if this is required and we will off load it.

CAMPING: Sunday stay-over is permitted if needed, but please leave site by Monday morning ...
