Dear Marshals,

Thank you for putting down to attend our fourth round at Donington Park.

The following should give you all the information you need but if not, please don't hesitate to contact me (my mobile and email are at the top of this page). We fully appreciate all the help and support you are giving us this weekend and I look forward to seeing you all there.

Karen Higgins
BMCRC Chief Marshal

Signing On and General Information:

- Sign on and allocation to corner will take place at the Bar and Restaurant from 07:15 each day. This is located between paddock 1 and 2 (see map overleaf)
- Friday 2nd you will receive breakfast and a cooked lunch in the circuit restaurant, and payment of £20
- Saturday and Sunday you will receive breakfast in the circuit restaurant and a packed lunch and a payment of £10 for each day (this replaces the old payment system for camping)
- There will be the usual **Club BBQ** on Saturday night, in the Marshals campsite
- Please refer to the map overleaf for information on signing on and camping locations for Marshals
- **IO/Corner Commander NOTIFICATION:** Briefing at Sign-On location ... 08:15 Friday and Saturday

Circuit/Camping Entrance and Exit:

PLEASE NOTE: After communications with the Circuit Manager, he has explained that "unfortunately, due to the venue being tight either side of our event, they are unable to be as flexible as normal".

They have an event that is making use of Paddock 2 and 3 on Thursday 1st June. Therefore, "you will need to make **access from 6pm**, when they have vacated."

With regards to camping over on Sunday night... the Circuit Manager has said that there is a private event making use of the venue from 6am on Monday 5th June. This unfortunately means that you "**will need to be out of the campsite by 6am prompt.**"

I know this will not be a great outcome for many of you, but at least they're allowing a stay over on Sunday night, even if it is an early departure. The rest of the paddock has to vacate by 9pm on the Sunday night.

Access is via the Melbourne Loop entrance, as opposed to the Main entrance.

Access to Public Areas and Getting to Corner:

You can get a lift to your corner from one of the recovery vans... pick up is from outside G39 (where we sign on and will be eating breakfast) at approximately 8.30am. Alternatively, it may be possible to park your car near your allocated corner, on the outside of the circuit. Please drive with due care and attention at all times

Marshals and Officials BBQ:

There will be a BBQ on the Saturday night, in the Marshals campsite. The Club will provide the food (usually burgers, sausages, cheese and buns, etc), and you just need to provide your own drink and any extras.

As usual, I would appreciate your help with unloading/loading the van and the putting up/taking down of the marquee. I am planning on putting the marquee up on either Thursday afternoon or Friday evening, depending on the weather and available helpers. As per usual, I would appreciate your help with putting the marquee down on the Sunday morning, prior to racing... in readiness for me to pack it all away at the end of Sunday.

A MASSIVE thank you to Gordon for his continued help with the BBQ. I'm sure you all join me in being forever grateful for all he does... his efforts provide an opportunity for those, who are so inclined, to gather socially together at the end of a day and share stories.

Marshal Camping and Power:

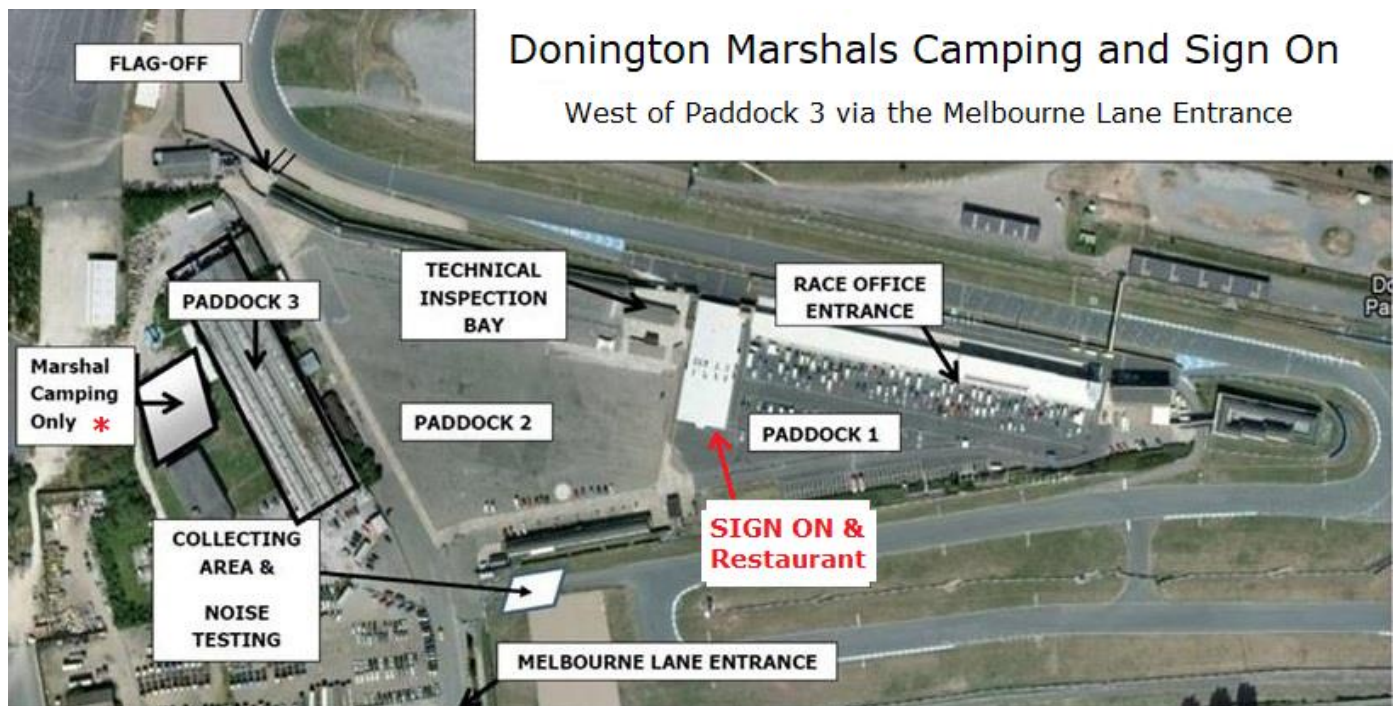

The Marshals campsite is located west of Paddock 3 (see the map below). You can gain access to this via the Melbourne Lane Entrance. Please note that access via this entrance is from 1pm on Thursday 1st September. Access at all other times is between 7am and 7pm (although these times may be extended... please check with the gate if unsure).

The Club have arranged that power is available to the Marshals in the designated camping area.

There have been many reports of thieves at this circuit, so please take particular care.

Access to the Marshal campsite is from 6pm on Thursday 1st June and you will need to vacate by 6am on Monday 5th June. Please see note about Marshals Entry and Exit on the previous page.

I appreciate that the entry/exit times are not as accommodating as usual and the Circuit Manager also recognises this and has explained that it is unavoidable at their end, so I hope you understand and this is manageable for those of you travelling larger distances.
