

# Sponsorship Opportunities at BMCRC

## What does it cost?

A range of opportunities exist to support Club racing at its best with Bemsee. We tend not to be prescriptive as to what a sponsor might bring, as you can see from the support shown in our Sponsor section on bemsee.net some are significant and some are modest, all welcomed by both Club and riders.

Support might be specific to a particular class or more general. It can range from cash awards, product or services or vouchers for redemption against your products or back against race or testday entries for the riders.

## What do I get?

Bemsee is in a position to offer you a unique opportunity...

You can take additional programme advertising in all or individual meeting programmes.

We are happy to display materials and leaflets in the race office.

Your prizes are awarded at the prizegiving that happens on every Saturday evening at each meeting. Most of the paddock attends this event. Sponsors are specifically referenced during presentations. If you attend you are invited to come up and hand over your awards.

We will endeavour to supply tickets for each event, tell us if you would like more for colleagues, clients, friends or relations and we'll do our best to accommodate.

We can offer the opportunity at most circuits to allow your party an escorted visit to the circuit control room to see the event being managed. We can further arrange for you and guests to be taken around the circuit during the lunch breaks in the Course Car.

So rare experiences are on offer to you and your business through sponsorship at Bemsee.

## Get in touch

For more info and to discuss, call our CEO, Mike Dommett on 01708 720305 or email [mikedommett@hotmail.com](mailto:mikedommett@hotmail.com)

Alternatively, introduce yourself to Mike who's always in the Race Office at each meeting.
