

# FLAG OFF

## Snetterton 200 Circuit

- **For Friday Practice and Saturday Racing:** The Flag Off point for will be after Turn 2, Wilson and back via the 100 circuit to the Flag-Off at Agostini Bend, back into the paddock.
- This is the same route you would use when we run on the 300 circuit.
- Please take care on this section as the circuit will not be marshalled around the section between Wilson and Agostini, although will be monitored by Control on cctv.
- Keep your speed low on this section, wheelies & burnouts will attract a penalty.
- **On Sunday ONLY:** The Flag Off point will be all the way around the circuit back into the pitlane, as the 100 circuit is in use that day.
- No Practice starts are permitted at this meeting.
