

REVISED 13/08/2020

Garage bookings at BMCRC

Update on Covid-19

We introduced a new system from the Brands Test weekend going forward...the booking process will remain the same – you will apply by email for a slot (or slots on behalf of a group) as before. The key change is that individual riders will need to pay for the slots online, once you receive the email confirmation that you have a garage space allocated. People booking for a group can also pay for the whole group, in advance.

The Details

We operate an email only booking system, bookings for garages will only be taken by email, not by phone. That will cover meetings at Donington & Brands for the rest of 2020.

Please send your email requests from 2pm on the previous Friday* (that's a week out from the meeting). Allocations will be dealt with, in the order received - Email to mikedommett@hotmail.com only. Enquiries prior to that time on the Friday may not receive attention.

Confirmation will be emailed back before Monday morning to advise the garage booking for the following weekend. The booking list for each day will be attached and will also publish in the Meeting File on bemsee.net

Riders booking on behalf of others are requested to advise all the riders' names they are booking a garage for.

The confirmation email will give the rider/booker links to enable payment for the allocated garage to be taken online before we get to the meeting – this avoids cash-handling.

This will be a link to pay £20 for each person in the garage

If you wish to pay for a group – select the link in your confirmation for £20 and then change the quantity from 1 to 3 in the basket = £60 for the garage for the group.

Requests will be checked against the entry list and garage spaces cannot be allocated if we have not received a rider's entry.

Payments must all be complete online by the Monday prior to the meeting – otherwise reserved slots will then be released to any riders waiting.

As of 4 July 2020 – We plan to house 3 riders per single garage. 1m Social Distancing should be maintained inside the garages at all times. If your mechanic is working on the bike and others are in there, don't congregate – wait outside, try and maintain the numbers at max 6 per garage at all times, this should ensure the 1m guide can be maintained.

Garages must remain fully open at all times to the front and rear for the duration of testing and racing and whilst people are in there working on bikes.

Keys will be available if you arrive early on the Thursday from the main gate security, only to riders who are on the Garage List. Otherwise, keys will be available from the Race Office from Friday morning. One key holder will need to take responsibility for collecting and returning the key from each garage. Keys must be returned during Sunday morning back to the Race Office.
