

# Practice Starts

## Snetterton 300

- A practice start is allowed only after you have taken the chequered flag for your session.
- It is your responsibility to ensure the manner of your practice start is performed in a safe and controlled fashion with all due regard and consideration to your fellow racers, marshals and officials.
- Doing a practice start is optional, not mandatory.
- At Snetterton the designated area is after Bend 2 to the RH side of the circuit, OFF THE RACING LINE!!
- Practice starts will be permitted at **this point** on the circuit.  
On Testdays...on afternoon sessions only.  
After any practice or qualifying sessions on Saturday racedays.  
Not after Sunday warm-up sessions.
