Thank you for expressing an interest in the BMCRC Marshal Car Sharing Scheme

With the economy the way it is, and with more and more of us struggling to keep our heads above water, it makes more sense than ever. And it's not just that is it... I don't know about you, but I can think of better things to spend my money on than fuel !!

DEADLINE:

One month prior to a meeting ... allowing enough time for plans!
That said, up to one week before a meeting, you can always check !

Once I've received your submission, I will transfer your information onto a form and email it back to you within 7 days.

 Don't mind

This is your copy to keep, for your records ... so you don't forget. This form's purpose is also to clarify that I have understood your end of things correctly ... so if I haven't, please let me know asap. Thank you

A month before each meeting I'll get in touch with everyone that has put down for the Car Share Scheme and attempt to put you together so you can arrange between you how it will work. I would suggest that one of you could drive to the person they are sharing with and leave your car at theirs or, depending on logistics, maybe you could even find a place en-route where one of you can leave your car?? It's up to you...
