Dear Marshals,

Thank you for putting down to attend our sixth round at Donington Park.

Following on from an email most of you should have received from our CEO, Mike Dommett, with regards to the Clubs need to 'tighten the belt', please take note that there are some small changes with regards to food and contribution to expense payment on a Friday (**changes highlighted with yellow**) ... so please read on...

You've put down to Marshal at this event, so I would like to take this opportunity to thank you for your understanding and continued support, especially in light of the cutbacks made after honest, open and realistic discussions. I hope many of you can see this as I do... a proactive response, that will help enable the Club to continue to flourish, with your support, for many more years to come!!

I know I say this often, but you are valued beyond words!!! THANK YOU.

The following should give you all the information you need but if not, please don't hesitate to contact me (my mobile and email are at the top of this page). We fully appreciate all the help and support you are giving us this weekend and I look forward to seeing you all there.

Karen Higgins
BMCRC Chief Marshal

- Saturday and Sunday you will receive a full cooked breakfast in the circuit restaurant, a packed lunch and a payment of £10 for each day ... **(NO CHANGE)**

Circuit/Camping Entrance and Exit:

Access to Paddock 2 and 3 (that's YOU) is **from 2pm on Thursday 23rd July**. Please don't arrive prior to this. Access to Paddock 1 and the garages is from 21:00 on the Thursday.

With regards to camping over on Sunday night... the Circuit Manager has said that that this is fine. You just need to **vacate by 9am on the Monday please**. The rest of the paddock has to vacate on the Sunday night.

Access is via the Melbourne Loop entrance, as opposed to the Main entrance.

Access to Public Areas and Getting to Corner:

You can get a lift to your corner from one of the recovery vans... pick up is from outside G39 (where we sign on and will be eating breakfast) at approximately 8.30am. Alternatively, it may be possible to park your car near your allocated corner, on the outside of the circuit. Please drive with due care and attention at all times

Marshals and Officials BBQ:

There will be a BBQ on the Saturday night, in the Marshals campsite. The Club will provide the food (usually burgers, sausages, cheese and buns, etc), and you just need to provide your own drink and any extras.

As usual, I would appreciate your help with unloading/loading the van and the putting up/taking down of the marquee. I am planning on putting the marquee up on either Thursday afternoon or Friday evening, depending on the weather and available helpers. As per usual, I would appreciate your help with putting the marquee down on the Sunday morning, prior to racing... in readiness for me to pack it all away at the end of Sunday.

A MASSIVE thank you to Gordon for his continued help with the BBQ. I'm sure you all join me in being forever grateful for all he does... his efforts provide an opportunity for those, who are so inclined, to gather socially together at the end of a day and share stories.

Marshal Camping and Power:

The Marshals campsite is located west of Paddock 3 (see the map below). You can gain access to this via the Melbourne Lane Entrance. Please note that access via this entrance is from 2pm on Thursday 29th May. Access at all other times is between 7am and 7pm (although these times may be extended... please check with the gate if unsure).

The Club have arranged that power is available to the Marshals in the designated camping area.

There have been many reports of thieves at this circuit, so please take particular care.

Access to the Marshal campsite is from 2pm on Thursday 23rd July and you will need to vacate by 9am on Monday 27th July. Please see note about Marshals Entry and Exit on the previous page.
